# VIDHI PARIVARTAN'S 1<sup>ST</sup> NATIONAL VIRTUAL MOOT COURT COMPETITION, 2021

## **ABOUT THE ORGANIZATION**

Vidhi Parivartan is a legal platform that seeks to hone the skill sets of all the budding lawyers, aid the law students in all possible manner by optimum utilization of resources available at their disposal and thereby empower the legal fraternity eventually. The platform aspires to undertake a host of short, medium and long-term activities and programmes for the legal community to enhance their professional, academic and extra-academic progression.

It is committed for the cause of empowering especially the first-generation lawyers who face innumerable hardships in the profession. Moreover, it aims to live up to its motto of 'Nyaydaanam Shreshtam Daanam' through every activity that it undertakes.

## **ABOUT THE COMPETITION**

Mooting is an attempt to take part and witness the court proceedings, and to exercise the diligence and efforts in the craft of the court proceedings. Further, mooting helps the students to learn the courtroom etiquettes which provide them an insight into the real litigation world.

Vidhi Parivartan is organizing its 1<sup>st</sup> Virtual National Moot Court Competition to provide the students with an opportunity to develop their research and analytical skills, along with their oral advocacy skills, behind a virtual moot court setting, which shall help them in developing legal skills and hone them for their future endeavours.

## **ELIGIBILITY**

**VIDHI PARIVARTAN'S 1<sup>ST</sup> NATIONAL VIRTUAL MOOT COURT  
COMPETITION, 2021**

**MOOT PROPOSITION**

1. Plasma is an island country that is 250 km south of Sylvia in the Sylvian Ocean. The closest Sylvian city to Plasma is Kanyakumari. The citizens of Plasma are linguistically similar to Sylvians as 3 official languages of Plasma are also spoken in Sylvia.
2. In March 2019, due to rising inflation levels in the city of Plasma, the crime rate of the country went on an exponential rise, which further resulted in extreme violence all over the country. Eventually, a situation of civil war arose wherein Plasma citizens started fleeing the country to save their lives. Many Plasma citizens relocated to different countries, including Sylvia, wherein their entry-route to Sylvia was through Kanyakumari.
3. After entering Sylvia, a majority of the Plasma citizens moved towards North Sylvia as they were able to speak Hindi. The official government records state that around 20,000 Plasma citizens had reached Sylvia and the migration was continuing. However, in reality, a lot more Plasma citizens had entered Sylvia through other illegal means.
4. Many makeshift camps had been set up in different parts of Sylvia to accommodate the Plasma citizens by the state governments, in collaboration with different NGOs. The Plasma citizens who had been recorded in the official government record books were mandatorily registered with UNHCR, and hence, officially recognized as refugees under the UNHCR's mandate. However, many Plasma citizens were not recorded by the government and hence, were identified as being a threat to the national security of the country.
5. Due to the increasing threat to national security, the Government of Sylvia decided to increase the security of the borders. Moreover, the Ministry of Home Affairs, in August 2019, in a press conference, stated that strict measures were to be taken against those who entered the Sylvian territories illegally from Plasma, after July 2019, regardless of whether they were in possession of their identity documents from Plasma. Thus, the government began planning the deportation strategy for such immigrants.

## VIDHI PARIVARTAN'S 1<sup>ST</sup> NATIONAL VIRTUAL MOOT COURT COMPETITION, 2021

6. In February 2020, the COVID-19 pandemic broke out in the country which was a rare human-to-human transmission virus with questionable origins. Due to the pandemic, the government was forced to shut access to all borders and therefore, no person was allowed to enter or leave the Sylvian territories. Right before the breakout of the virus, around 100 refugees entered Sylvia and their names were duly registered in the Government books. However, no COVID test was conducted on them and 20 children among the 100 refugees (aged between 12-16 years) eventually moved towards the Northern part of Sylvia. These children only contain their identity documents from Plasma and have no legal authority to stay in Sylvia. The children travelled through the train route that connects Vennai to New Mahal, and eventually reached New Mahal on 01.03.2020. It was eventually disclosed by authorities that all children were positively COVID-positive, and they spread the infectious disease to an unimaginable extent during their travel from Vennai to New Mahal.
7. Eventually, all 20 children were found and sent to a makeshift camp of New Mahal on 02.04.2020. Their days in the camp were extremely difficult as they were unable to gain access to the basic necessities like food and water, which resulted in an increased risk of malnourishment among the children. To add to the trouble, the children were not able to adjust to the extreme weather changes in the state, which further worsened their health situation, even after their recovery from COVID-19.
8. On the other hand, due to the ban on entry into the country due to COVID, many refugees from Plasma were unable to enter Sylvia. This eventually resulted in many deaths along the Kanyakumari beach, which sparked international outrage. However, the Government of Sylvia decided to remain silent on the issue and provided no clarity on the same.
9. On 01.07.2020, the 20 children in the makeshift camps were informed that their names have been selected for deportation by the government, and they shall be relocated back to Plasma at the earliest. Listening to this, the children became extremely afraid as the situation of Plasma was still not in control and the COVID pandemic had further worsened the situation for the country. The children knew about these changes due to the news telecasted by a local radio, which was very near to their camps. As a result, all 20 children ran away from their camps, however, they decided to stay in New Mahal only.

**VIDHI PARIVARTAN'S 1<sup>ST</sup> NATIONAL VIRTUAL MOOT COURT  
COMPETITION, 2021**

10. On 03.07.2020, the government released a list of names of the 20 children, along with some other refugees, wherein the children had been recognized as Foreigners under the Foreigners Act, 1946. After the release of the list, all children were arrested on 05.07.2020 on the New Mahal borders and were charged under Sections 14 and 14A of the Foreigners Act, 1946. It was decided that the children shall be detained till the end of the pandemic and shall be subject to legal proceedings thereafter. The children were additionally charged under Section 188 of the Sylvian Penal Code, 1860, under the charges of having spread COVID-19 during their travel from Vennai to New Mahal.
11. The journey of these children and the challenges that they faced during this entire period was recorded by a local journalist, which eventually caught the attention of many NGOs, who started protesting for the release of these children. A bunch of public interest litigations were filed in the Supreme Court in relation to this, along with challenging the border restrictions of the country.

**ISSUES:**

1. Whether the petition is maintainable before the Supreme Court of Sylvia?
2. Whether the refusal to allow entry to asylum-seekers from Plasma, especially during a pandemic situation, permissible under the law?
3. Whether the charges against the children legal and valid?

**Note:**

- a) Only the laws of Sylvia are pari materia to the laws of India and no such fact is pari materia to any country. This Moot Proposition is purely a work of fiction and resemblance to any such incidence shall be purely coincidental.
- b) Sylvia is also a member of the United Nations and has also signed and ratified a few International Treaties such as International Covenant on Civil and Political Rights, and International Covenant on Economic, Social and Cultural Rights. Sylvia has also ratified six out of eight Fundamental Conventions on labour rights and their standards. The conventions ratified by Sylvia include Forced Labour Convention, 1930; Abolition of Forced Labour Convention, 1957; Equal Remuneration Convention, 1951; Discrimination (Employment and

Occupation) Convention, 1958; Minimum Age Convention, 1973; Worst Forms of Child Labour Convention, 1999.

- c) This Moot Problem is purely intended for the Moot Court Competition and educational purposes amongst law students.
- d) All biological and other medical details on COVID-19 shall be applicable in this case as per the details available on the WHO website.
- e) No Scheme(s) or relief(s) granted by India shall be applicable in any manner whatsoever. Those mentioned only in the Moot Proposition shall be applicable in the case.
- f) Any such scheme(s) or relief(s) as mentioned in the Moot Proposition is not pari materia to any country.
