

Vidhi Parivartan presents Law Fest 2025 – Article Writing Competition

ABOUT THE COMPETITION

As law students, it is our responsibility to discuss and speak up about the complexities prevailing within the legal system and kindle the flame of consciousness amongst masses. This Article Writing Competition aims to provide a platform to everyone who desires to express their views and opinions on the themes mentioned below.

This way we not only aim to create awareness about such issues but also initiate a conversation amongst the masses in order to ensure that people exercise their constitutional rights and privileges.
